Investment products offered by Devenir are not FDIC or government insured; are not guaranteed by HSA Bank, may involve investment risks, including the loss of principal amount invested; and are not deposits or obligations of HSA Bank. The mutual fund performance data quoted represents past performance, which is no guarantee of future results. Current performance may be higher or lower than the performance data quoted. Prospectuses containing complete information, including most recent month-end total returns, management fee charges and expenses, are available online or by calling the toll free telephone numbers provided on the Investment Options page. Investment return and principal value of an investment will fluctuate so that shares, when redeemed, may be more or less than their original cost. An investment in a money market fund is not insured by the FDIC or any other government agency. Although money market funds seek to preserve capital, it is possible to lose money by investing in these funds. All funds in your HSA are purchased at NAV without a front end load. Each fund company may charge a short-term redemption fee if held for less than the timeframe listed in the prospectus. HSA Bank®, a division of Webster Bank, N.A. and other business entities receive compensation for providing various services to the funds, including distribution (12b-1) and service fees.
